SPECTRAL/HP ELEMENT METHODS FOR COMPUTATIONAL FLUID DYNAMICS (2ND REVISED EDITION)

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Spectral/HP Element Methods for Computational Fluid Dynamics (2nd Revised edition), George Karniadakis, Spencer Sherwin, Spectral methods have long been popular in direct and large eddy simulation of turbulent flows, but their use in areas with complex-geometry computational domains has historically been much more limited. More recently the need to find accurate solutions to the viscous flow equations around complex configurations has led to the development of high-order discretisation procedures on unstructured...

Reviews

Excellent e book and beneficial one. It is rally fascinating throug reading through time period. You are going to like how the author publish this ebook.

-- **Prof. Triston Smitham V**

Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.
