OLD PLANTATION DAYS

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a memoir written by a former slave in the American South. From the intro: The South as I knew it has disappeared; the New South has risen from its ashes, filled with the energetic spirit of a new age. You can only know the New South, but there is a generation, now passing away, which holds in loving memory the South as it used to be. Those memories are a legacy to the new generation from the old, and it behooves the old to hand them down to the new. The days that are no more come crowding around me, insistent that I interpret them as I knew them; there are the happy plantation days, the recollection of which causes my heart to throb again with youthful pleasure, and near them are the days, the dreadful days, of war and fire and famine. I shrink as the memory of these draws near. The spirit of those early days is what I chiefly desire to leave with you; the bare facts are history, but just as the days come back to my recollection I will write about them, and necessarily the record will be fitful memories woven together but imperfectly.
