Dewi Lewis Publishing. Paperback. Book Condition: new. BRAND NEW, My Cousin the Writer, Paul Binding, It's the Fifties, and every weekday all of Britain likes to tune in to its favourite BBC radio serial, THE PARKERS. No wonder a young man at a loose end, and frustrated by his rejection for National Service, gravitates towards the makers of the programme - to its founder, the enigmatic Verity Orchard, her ambivalent husband Charles, and Cassie, daughter of 'Elizabeth Parker' herself. They all make claims on him - claims that will pursue him down the years into late middle age. And then there's his cousin, Ian. Paul Binding's novel is a poignant examination of emotional and cultural confusion. Both funny and sad, it captures the ambience of a fascinating period of British life. Resonant with the intrigue of soap opera it is a novel full of character and characters, a post-modern journey through an England long-since disappeared.
