How can we access it and participate in what lies beyond? How can we get in touch with our many multidimensional aspects? Humanity is in the midst of transforming, and a new unity consciousness is emerging. In future history, this era may be viewed as an age of a monumental spiritual renaissance. Luminous humans are the midwives and way-showers who are unveiling the mysteries of the multiple realms of existence. The invisible worlds are being revealed. Now, anyone with a digital camera and an interest in spirit beings can learn to photograph the vast variety of life-forms that inhabit our space with us. The New Frontier demonstrates how to journey through the remarkable dimensional worlds to photograph and interact with spirit orbs, nature spirits, light beings, UFOs and extraterrestrials. Author Cedar Rivers extraordinary photographs of nature spirits - including gnomes, elves and fairies - prove beyond doubt that they are real. Her authentic photographs show other fascinating phenomena of the finer vibrational realms and a variety of visitors from these vastly different cultures. Descriptions of her personal journeys accompany the photographs and can open doors to your own discoveries. The New Frontier includes a guided meditation to deepen your understanding of the subtle realms of nature, and step-by-step techniques on how to photograph spirit beings.
