TORNADO VALLEY: HUNTSVILLE S HAVOC

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Touchdown! Folks in Alabama don't know whether to cheer or run when hearing the expression. Touchdown could mean that we've just won another football National Championship or it could indicate that a tornado is on the ground. I could never be a storm chaser. I'm the one the storm chases. Funnels circle around me like shark fins as I bow my head in a school hallway, kneel down in a convent, or give birth to a newborn baby wailing in unison with the tornado sirens. I huddle with toddlers in showers and beg for shelter in a McDonald's freezer. I remain a sitting duck in a second-floor apartment, and find myself in the wrong place at the wrong time while in the emergency room with storm victims. Life in the Rocket City is a thrill ride which is not for the faint of heart, this I know. So brace yourself for a front row seat on a ride through Tornado Valley! Alabama is the home of the world's deadliest twisters and Huntsville is in the heart of the arena. Our space history is out of this world, but our tornado history will blow you away. Take a rollercoaster ride through the history of Alabama tornadoes before plunging into the gripping story of the Day of Devastation. Witness the stars falling on Alabama in 1833. Then get ready for the sky to fall! The plot twists as Huntsville's torrid tornado past comes alive in the 1974 Super Tornado Outbreak. The rollercoaster corkscrews as it encounters an unexpected twister in 1989 that slingshots the reader into the angry vortex on Airport...
